SHAZIANA Z

CONTENT WRITER | SEO CONTENT SPECIALIST | AI CONTENT STRATEGIST

Research-driven content professional creating clear, engaging, and audience-focused content for websites, blogs, social platforms, brands, and digital campaigns. Combines strong editorial judgment with SEO principles, storytelling, digital marketing knowledge, and AI-assisted workflows.

Writing principle: AI accelerates research and production; originality, accuracy, editorial judgment, and human storytelling define the final content.

PROFESSIONAL EXPERIENCE
Freelance Content Writer & Digital Content Specialist

- Visual Verse Agency · 2025 – Present
- Develop original written content from client briefs, audience needs, brand positioning, and campaign objectives.
 - Research complex topics and turn them into clear, structured, reader-friendly articles, guides, and educational content.
 - Write website copy, landing-page messaging, social media content, marketing copy, product content, and video scripts.
 - Apply SEO principles across headings, keywords, search intent, readability, content structure, and calls to action.
 - Create strong headlines, hooks, introductions, and CTAs designed to improve attention and reader engagement.
 - Use generative AI for ideation, research support, outlining, and drafting while retaining human editorial control.
 - Edit AI-assisted drafts for accuracy, originality, tone, flow, brand consistency, and natural readability.
 - Repurpose long-form ideas into social posts, short-form scripts, promotional copy, and multi-platform content.
